2016 Directory

The Michigan Council of School Attorneys

The Michigan Council of School Attorneys, in its 27th year since organizing in 1988, is the only statewide organization composed exclusively of attorneys representing Michigan school boards.

The Michigan Council of School Attorneys assists attorneys representing boards of education in Michigan by providing information and practical advice on legal issues and questions of school law.

Membership in the Michigan Council of School Attorneys offers publications, continuing legal education, networking opportunities and other services needed by attorneys to effectively represent their school board clients.
