

FREE COVID-19 TESTS ARE AVAILABLE FOR YOUR SCHOOL

The MI Safe Schools testing program can bring COVID-19 antigen testing to Pre-K through 12 educators across the state. Weekly COVID-19 testing supplies are available for educators and staff who would like to participate.

Learn more and enroll your school for free COVID-19 testing at Michigan.gov/SchoolCOVIDTesting.

Bring COVID-19 antigen testing to your school:

No cost

No prescription needed

No ID or insurance required

Available to those who are asymptomatic

Results within 15 minutes

Find other COVID-19 testing sites near you at Michigan.gov/CoronavirusTest or call the COVID Hotline at 1-888-535-6136 (and press 1).
